Re: Comment on WC Docket No. 17-310

Dear Chairman and Commissioners:

The Aleutian Pribilof Islands Association appreciates the Federal Communications Commission's goal of improving the policies and operation of the Rural Healthcare (RHC) program. Unfortunately, we believe that the proposed Report and Order released on July 11, 2019 leaves open too many issues and raises new questions. The intent to review this order at the August 1, 2019 meeting prevents our organization from conducting a meaningful review of the order and its potential impact to the way our organization delivers telehealth services to Alaskans.

Therefore, we respectfully ask you to remove the proposed Report and Order from the August 1, 2019 agenda for the open Commission meeting so we can better assess information included in the proposed Report and Order and that issues raised in the draft document can be clarified.

Respectfully,

Dimitri Philemonof
President/CEO
Aleutian Pribilof Islands Association
